The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The Hasenkopf reference pertains to an automated filler apparatus for gas cylinders that utilizes electronic labels associated with pallets of cylinders and the Wronski et al. reference pertains to a pressure vessel filler with an associated transponder arrangement.

The following is an examiner's statement of reasons for allowance: none of the prior art, alone or in combination, teach Applicant's invention of a gas supply device comprising a portable container with an electronic label and a connection, a base, a read device and a control unit, *where the base includes a fluid connection to a gas source and to said connection*, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven O. Douglas whose telephone number is (571) 272-4885.

The examiner can normally be reached on Mon-Fri 6:30-5:00.
